tweet sheet v1.2 by JasonTheodor.com

This exhaustive, convenient, business-card-sized *tweet sheet* is the perfect companion for any mobile crazed life-streaming geek.

Tweet Sheet Instructions:

1. Print.
2. Cut out along blue border.
3. Place near your phone and/or computer for easy reference. (ie. wallet, purse, monitor)

Twitter, twitter.com, and the blue bird illustration are all the sole property of Twitter and are not affiliated with <http://JasonTheodor.com> or *tweet sheet* (yet).

Enjoy. I'll see you on Twitter.
